## Menonite Youth Choir Festival

*Your child. One weekend. Loving sacred music.*

Our participants are the future of the church. Experiences like the annual Youth Choir Festival help ensure that it will be a future full of praise and music.

The mission of the Menonite Youth Choir Festival is:

- To assist the church with the responsibility of nurturing our participants in music by training young voices to sing and appreciate the music of the church.
- To bring together young people from Indiana, Michigan, Ohio and Illinois for a quality festival experience.
- To introduce them to professional musicians who model a love for the Lord and a profound desire to nurture young people in music of the church.

The festival's mission is captured in this verse from Ephesians 5:9:

*"Sing and make music in your heart to the Lord."*
